

HEALTHY ADULTS DAY: HOW TO AGE GRACEFULLY

HealthyAdultsDay.org

NORTHEAST COBB FAMILY Y

Reconnect. Rebalance. Reinvigorate.

The Northeast Cobb Family YMCA's first annual [Healthy Adults Day](https://HealthyAdultsDay.org) celebrates ways to regain connections, fill in emptiness, rebuild form and fortify overall wellness. For parents. Grandparents. Caregivers. Friends. Family. All are welcome!

Join us for a [free, half-day event](https://HealthyAdultsDay.org) **Saturday, May 20**, that features screenings from Walmart Health, demonstrations from community businesses that support the wellness of aging adults plus keynote presentations about mental health, aging in place/fall prevention and Medicare and Medicare fraud. **Don't miss our door prizes, special giveaways and breakfast and lunch!**

Mind

Body

Spirit

Attendees will get a sampling of ongoing Northeast Cobb Family YMCA programs aimed at maintaining the mind, body and spirit of everyone in our community.

The pandemic challenged all of us to stay healthy, connected and sharp. As the world changed, maturing adults may have been cut off from their communities, friends and routines.

That's why there's Healthy Adults Day. [The Northeast Cobb Family YMCA](https://HealthyAdultsDay.org) is more than a gym. We convene the community, and everyone belongs. Come for the day. Join for a lifetime.
